RE: Case No. 17-cv-191-SDP Byrd v. Arnez.

Dear Courts.

I am requesting an attorney to help me with this case. This case is too complicated for me to handle. I do not have the education or the resources to represent myself. I can not contact expert witnesses, I can't get police body camera video, dash cam video or track down potential witnesses. I can't contact officer Arnez's police trainer or his training records. I can't get photographs of my car and the bullet holes. I need help please appoint me counsel to help me with this very complicated case that is far beyond my educational qualifications.

Respectfully

Lewis Byrd
